

GE Computer Department Alumni Association Newsletter March 2009

Another Reunion is in Sight!

Our last two reunions have been so successful, that it has been decided to hold another – our tenth.

In 2006, Warren Prince hosted a great reunion in San Francisco.

San Francisco Bay Cruise

In 2008, Pete Reppenning hosted a fantastic reunion in Chicago.

The Tribune Tower

Next Stop Phoenix / Scottsdale!

In the fall of 2010, probably late October, we will hold the reunion somewhere in the greater Phoenix area. We would like to be in downtown Scottsdale, if possible, so that there are lots of activities and sights close by.

Get out your calendars and mark the last half of October as a tentative time for a reunion. This one is back in the home town of the Computer Department, so we hope to have a great turnout.

This could be the last reunion, so we want to get everyone together. We are making a concerted effort to add more of the manufacturing, engineering, field service (both headquarters and field), applications (both headquarters and field), software, etc. people to our roster of Computer Department Alumni. Please let us know of any of your old peers and associates who we should add to our list and also invite to our next reunion.

Saguaro Cactus

We have asked people from each group to round up their cohorts for the reunion. We will plan to get each group together for a break-out session. George Snively is getting these groups organized, but you can take action yourself. Call your old friends from the group you worked with and tell them to mark their calendars, too.

Association News

We are pleased to announce that Bob Connors has been elected as our new president. Bob will hold sway during the next reunion. He had this to say about his appointment. "At the Chicago reunion, Curt Hare, our most recent president, gave special thanks to Phil Howard and Bill Duster for their service to the association. He also recognized George Snively as our Honorary Lifetime President for his on-going efforts. Now I would like to thank Curt Hare for his work during the past two years and for presiding over the last reunion with Pete Reppenning and myself. I look forward to making our next reunion as successful as the past two."

Dues

We need to rebuild our treasury in order to make arrangements for the next reunion, to cover costs of mailings, etc., so once again we ask that you **please make a "dues" payment of \$25.** This should be the last request for dues. Please send your check to:

**GE Computer Department Alumni Assn.
PO Box 9315
Phoenix, AZ 85068-9315**

We appreciate your support!

Association Web Site

Don't forget to check out our web site, as it contains interesting information about the computer department, our upcoming events, pictures of the past and when available, news of our members. You can access it at:

www.gecomputerdeptalumni.org

Let Us Hear From You!

Please send us your thoughts and suggestions about the next reunion or any other alumni association matters.

And when you send in your comments, **remember to send in your dues!**

(Please send postal or email address changes to David Rice, dwrice@att.net, or PO Box 409, Gualala, CA 95445.)
